Payment: Your team's league fees are due before the start of your third game. If you have not paid in full by that time you need to go to the pro shop and resolve your fee.

Change to Your team's league fees are to be paid in full on the first night of League.

Softballs: Each team must provide their own softballs for each game. Only softballs with our private logo can be used for league play. Softballs are available at the concession stand. All Men's league balls must be .40 Core.

Pets, Food, and Drinks: None of these items may be brought into Softball World. This is a City ordinance and our concession stand has a restaurant license.

Alcoholic Beverages: Are prohibited in the parking lot areas of Softball World at all times. Violators are subject to ticketing by the Euless Police. Alcoholic beverages may not be brought in or taken out of Softball World. This is a Texas Alcohol and Beverage Commission law. Any outside alcohol found in a dug out will result in the coach of the offending team being suspended for thirty days.

Forfeits: If your team forfeits two games in a season, the team will be removed from the remaining schedule. This is a courtesy to your opponents so they do not have to come out to the park and not participate. If it is possible we will try to rework the schedule so that teams pick up games against other teams in their league to finish out their season.

Weather/Information Line: Please call 817-500-5156 or download the rainoutline.com app to your phone for current playing conditions.

Games Rained Out: Every attempt will be made to make up a Rain Out on the assigned day of the week that it was originally rained out. When necessary, games can and will be made up on either a Sunday or Monday. You will receive written notice in advance when possible.

Overnight Parking: Do not leave your car overnight in the parking lot. Cars left in our parking lot at closing time will be towed. If you have a mechanical problem with your car or have to leave it in case of an emergency please notify the Manager on Duty and they will not tow it.

Skateboards, Roller Blades, Bikes, and Scooters: are not permitted in the park at any time.

The only items and articles of clothing that may be possessed by players during softball games are: shirts/jerseys, pants/shorts, undergarments, protective pads/gear, gloves, softballs, bats, hats/batting helmets, socks, sweatbands, glasses/sunglasses, belts, and shoes/cleats. This prohibits items such as Cell Phones, Go Pros and Concealed Handguns.

For your safety, no one is allowed to climb fences leading to other property. If you lose a softball on the golf range, please visit their pro shop for assistance. Please keep everyone safe.

Rules: All league and tournament rules are covered by the USSSA Rulebook unless otherwise noted in the Softball World league and tournament rules pack.
